INTERNSHIPS

Software Development

madhav institute of technology & science, Gwalior

Feb 2022 - Apr 2022

I built a website in which a user can register, and submit their solution.

I learnt how website works work in real life and how we have to manage its database and load on the server, how much traffic it can handle.

POSITIONS OF RESPONSIBILITY

I lead a team of 4 members in a website development project.

Lead a team of 12 volunteers in Hackathon conducted by our College.
